Mrs. N. Lynn,
Asst. to Dir. Hall of Fame
New York University -

Dear Mrs. Lynn -

Prof. Ord's Asst. called from
N.Y. University later and enclosed
you will find extra material for
their Dept. Also. Please see that
they get it.

The information on the Bill is "extra"
and aside from "Special Address" which
portrays important connections of A. J.
and Susan B. Anthony - The Greeks
picture we treasure most highly - Please
guard it - have it duplicated but do not
let it out of your possession - It is
the only picture we possess of the historic
two together - Please return both
photographs -

Afterwards please have important
officials sign petition and return to
help Mrs. Johnson's Bill Pass - Good Luck.

Most Gratefully,
Miss Grace Keables -
